Why Australian Made

Here at Furniture House we have always supported our Australian Manufacturers, and in doing so we are keeping jobs and money in Australia. We also believe that there are many other proven benefits to you, the consumer. Here are just a few of them.

Choices

Style: Classic, Contemporary, Modern Retro, Cottage, Eclectic, Industrial, & more.

Fabric: Texture, Patterns, Plain, Florals, Abstract (your fabric choice may affect pricing) 100's of choices in fabric and colour. You are only restricted by your imagination.

Advice: How big is your room, what is your colour scheme and which style best reflects your personality.

Customize: Love the style, love the fabric, love the colour, but not quite the right size for your home. Change it, add a chair, add seating, make it bigger, make it smaller.

You are in control when it is made in Australia.

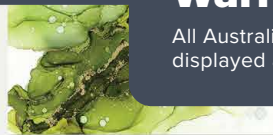

Warranty

All Australian Manufacturers have written warranties displayed and stand by their materials and workmanship.
